

## YIN-CARE SUPREME ORAL CARE

Yao Company Brand

### JIN ZHI JIE YIN HAN SHU YE

“Golden Jasmine Purify Gums Oral Gargle Liquid”

Use orally to dry and transform dampness, clear heat, damp-heat, and toxic-heat, purge fire, cool blood, reduce inflammation, detoxify lesions. Also use for various conditions such as general inflammations and infections, bacterial infections, gingivitis, mouth sores and ulcers, thrush, bad breath, before/after dental visits and procedures, and daily oral hygiene.

### Comments

Yin-care Supreme Oral Care is a natural extension of the widely used Yin-care formula for general bacterial, fungal and viral complaints. This anti-microbial mouth rinse is comprised of both the water-extracted and essential oil materials of the herbs listed below and can be quite effective when used for acute conditions or for daily hygiene. Specifically formulated for oral use Yin-care Supreme Oral Care is alcohol free, naturally sweetened with stevia and mint essence for improved flavor, and glycerine added for better gum adhesion. Pseudolarix - *Tu Jing Pi* and Atractylodis - *Cang Zhu* are not included in the formula.

### Caution

Do not swallow, not be taken internally. Not intended to replace brushing and flossing. In rare instances, sensitive patients may react to this product. Consult a dentist if redness, pain or bleeding persists longer than 2 weeks. Not intended for consumption. Suitable for children.
